

# Amon License Policy

# Table of Contents

Amon usage is limited by the license policy with the following terms:

- any server that has Amon software installed must be a subject of a maintenance contract with Abakus plus d.o.o. as the maintainer;
- any server that has Amon software installed must at least run an application that is a subject of a maintenance contract with Abakus plus d.o.o. as the maintainer;
- after the maintenance contract that enables the use of Amon software expires, the USER may not use Amon's features anymore;
- after the maintenance contract that enables the use of Amon expires, the USER must provide access to the server/account running Amon software to Abakus plus d.o.o. to enable the removal of Appm software installation;
- after the maintenance contract that enables the use of Amon software expires, Abakus plus d.o.o. has the right to remove the USER's profile from the Amon portal without notice;
- the Amon software, its scripts, plugins and manuals are the property of Abakus plus d.o.o. . All rights regarding its source code, binaries, scripts and content are exclusive. Any modifications, copying, reproduction or distribution of any part of Amon is forbidden, except with a written consent by Abakus plus d.o.o. The Amon data shown in Amon portal is informative and can not be used as the basis of any kind of formal complaint;
- to ensure the up-to-date state shown on Amon portal, there must be a way to have Amon data transported to the Amon repository server that is defined by Abakus plus d.o.o. . The protocol used to enable this data transfer is a subject of agreement and depends on the situation and means of transfer. Abakus plus d.o.o. can not be held responsible for errors in data transfer;
- with usage of Amon, the USER agrees to be fully compliant with these terms.
